4.15 pm to 5:00 pm	Valedictory	

Priyadarshini J. L. College of Engineering organized a National Level Seminar under IQAC Cell on “STUDENT CENTRIC LEARNING: APART FROM CHALK & TALK” in collaboration with National Assessment & Accreditation Council (NAAC) on 24-01-2019. The main aim of this seminar was to instill awareness among all academicians about Student Centric Learning apart from the traditional Chalk & Talk method. This seminar received huge response by 175 participants from various corners of India covering wide persona’s of Technical fraternity, Directors, Principals, IQAC Coordinators, teaching faculties, Librarians under one roof.

This informative and interactive seminar was inaugurated by the auspicious presence of Chief Guest, Hon. Abhijeet Deshmukh, Director, Lokmanya Tilak Jankalyan Shikshan Sanstha, Nagpur. He enthralled the audience by his influential address. After the inauguration of the event Dr. C. M. Jadhao, Principal, Mauli Group of Institutions, College of Engineering and Technology, Shegaon, Maharashtra shared his expertise on the topic, “ICT based Effective Teaching-Learning”. He imparted the significance of the implementation of ICT based techniques in teaching learning. He expressed that all students centric things should be quality based. Moreover, he emphasized the power of compilation of data to enhance the quality of institute. Other key points discussed in seminar were ICT can bring efficiency, effectiveness in education, networking, collaborations, innovation and extensions, research and development. Dr Jadhav further suggested that our curriculum should be accordingly designed.

Another resource person, Dr. Mahendra D. Shirsat, Professor and Head, Department of Electronics, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad, Maharashtra aptly guided the participants on the topic, “ Student Centric Learning ”. He revealed the importance of R & D, innovations and extension, holistic development of students,

inculcating skills through curriculum, strategies related to skill oriented capacity building courses, technology transfer. Further, he explained “outcome based education” by giving valuable tips for measuring learning outcomes. .Other key points discussed in seminar were, student centric sound pedagogical approaches,empowering online technologies, problem based learning.

This was followed by the enlightening address of another resource person Dr A.M. Shende , Principal PJCCE, Nagpur.He adroitly expressed his views on the topic “ Student Centric Learning according to NAAC Key Aspects ”. He delineated that, student centric learning is a demand of time.Thus, Interactive learning through ICT based techniques, collaborative learning, quiz competition and independent learning should be practiced by the students.Besides, he said NAAC gives special attention to these specifications which is vivid in the SSR too.Other key points discussed by him were, Add-on-courses,value added courses , diploma and certificate courses, value based education,VET,IPR etc

The Informative seminar was followed by question answers session where in participants candidly ask their queries to the experts and got apt and satisfactory replies. This was then followed by the valedictory function wherein Mrs A.D. Kadam, Organizing Secretary, IQAC, very remarkably summarized the conference report. Later it was followed by the feedback session of the participants who gave their overwhelming responses about the seminar. Seminar was further proceeded with the certificate distribution to the participants and concluded with the vote of thanks by Prof. R.Jogekar. Meticulous planning and hard work of all faculty members made this event a grand success.
