

## **Annual Report of P JLCE**

**Session- 2022-23 (1 st July,2022 to 30 June 2023)**

It is aptly said, 'Extracurricular activities promote students to take up their studies in a healthy manner.' We at P JLCE give much more importance to extracurricular activities so that the hidden potential of students could be harnessed. Various activities were conducted in the college like Orientation program and Forum installation "Prarambh" for B.E. First Semester students, Forum activities for higher classes, Saraswati pooja , Independence day, Republic day, Tree plantation drive, Harmony day, Personality Development Program, Teachers day, Sports activities, various Technical & Non-Technical activities. These activities gives students a platform to display their latent skills and talent. Further, students get inter-mingled with different peer groups during these activities which satisfy the needs of socialization, self-assessment and self-identification.

P JLCE makes tremendous efforts in celebrating the national and international days, events and festivals throughout the year. The celebrations and awareness campaigns conducted in the academic year 2022-23 were as follows:

## **About the Institute:**

Priyadarshini J. L. College of Engineering (PJLCE), Nagpur, is a flagship institution belonging to LTJSS established in the year 2008 and is one of the premier technical institutions in Central India. Lokmanya Tilak Jankalyan Shikshan Sanstha (LTJSS) founded in the year 1983, is a conglomerate of 28 Educational Institutions which is considered as a paragon of excellence in Education.

**The Institute is an autonomous institute affiliated to Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur;** approved by the All India Council for Technical Education, New Delhi, and Directorate of Technical Education, Maharashtra State. It is accredited with NAAC “A” Grade. Priyadarshini J. L. College of Engineering, the premier Institute of Sanstha with 15 years of promising track record endeavors to impart academic excellence by promoting technology, scientific thinking, and corporate social responsibility. It is centrally located in the city of Nagpur, better known as Orange City which is a good combination of Cosmopolitanism and Tradition and is away from the rush and cut-throat competition of other big cities. Also the institute is a proud recipient of prestigious awards which includes **“BEST EMERGING ENGINEERING COLLEGE”**, In the year 2019, for the category of Emerging college in the region by Times Group, India, and **“OUTSTANDING ENGINEERING INSTITUTE IN REGION”** In the year 2019, For Category of Emerging engineering institute by SAKAL MEDIA GROUP.

Moreover, it is certified with ISO 9001:2015 certified for all its engineering branches for delivering quality education in engineering education, ISO 50001:2018 For the Energy management system & ISO 14001:2015 for the Environmental Management system. The institute has always envisioned instilling life skills for holistic development among the students through their qualitative engagement in various extracurricular activities and has won several accolades at the university level and state level. The institute is an attractive destination for learning which galvanizes potential learners. State-of-the-art infrastructure and unfailing commitment to achieving excellence in academics and 360° development of students are our principle drivers of growth. The positive brand image of the Institute is an enabler that has produced more than two thousand alumni who are occupying respectable positions and rendering professional services across geographical borders and becoming brand ambassadors of an Institute.

Our Institute endeavors to connect with our alumni from time to time by conducting events & activities. The association also provides opportunities for interaction between past & present graduates & faculties where in sharing their experiences & expertise is a common phenomenon.

Alumni Association by the institute has been formed with the following objectives:

- To strengthen the professional networking among alumni.
- To promote cohesion to ensure continuous engagement within the alumni and with the college.
- To maintain a database of alumni, enabling them to reconnect with them for sharing the experience.
- To provide a forum for discussion of common-interest issues.
- To provide a means for career networking and mentoring to current students who need guidance.
- To be a source of information about the current activities going-on in industries.
- To provide an occasional "walk down memory lane", back to our college days.

## **Alumni Mentoring Scheme**

The PJLCE Alumni Mentoring Scheme is an initiative to build a strong and dynamic relationship between the alumni and student community, one that is mutually beneficial to both parties professionally. The programme aims to provide opportunities for students to learn about work and life outside university, from outstanding & established alumni of Priyadarshini college of Engineering. The Alumni of PJLCE, Nagpur has distinguished themselves at the national and international levels. They have spread far and wide globally and done their Alma Mater proud by excelling themselves as academicians, administrators, scientists, scholars, entrepreneurs and technocrats. Several of them have reached heights of excellence in their respective fields and are significantly contributing to the socio-economic development of the nation at large.

PJLCE has always considered its alumni as a source of strength, support and sustenance. . Further, our esteemed institute is willing to extend all possible cooperation for the success of this association, which would help mentees understand work culture in advance, hard core professionalism, how to bridge academic -industry gap being a technocrat and other attributes required for their future endeavors.

## **Aims and Objectives of Mentor Men-tee Meet**

- Building Modesty and Wisdom through Knowledge
- Discovering the joy of wonderful and exciting knowledge.

KNOWLEDGE CORRIDOR

## PJLCE Competitive Examination Cell

PJLCE since its inception has produced many stalwarts who have made their mark in various fields and have contributed to the development of our nation. Lately, as the role of the state is increasing, there is a need for a strong and efficient bureaucracy, which can be performing its duties in an ethical and accountable manner, and support the edifice of the general administration in various fields. For this, our institute has started a Competitive Examination Cell, for creating and honing ethical, efficient, competent bureaucrats who can assimilate their knowledge with administrative acumen and serve on the vanguard of the government machinery. This cell prepares the students to face different competitive examinations like GATE / UPSC / MPSC / GRE /TOEFL. Besides, through this cell, the college organizes various activities for the development of the students. It also aims to encourage the students to general reading, general observation, thinking power for reasoning, and develop courage for facing various competitive examinations.

## Aims & Objectives:

- To motivate students for prospective career in Government and Corporate Sector.
- The main objective is to make available a platform, for aspirants of GATE/ GRE/ TOFEL/ UPSC/ MPSC, and other competitive examinations, where they can get all the help and guidance they need.
- To guide students for Group Discussion and Interviews.
- To build among students a sense of awareness, provide guidance, necessary literature, brochure, and other information about various competitive examinations.
- To conduct career development seminars and workshops on competitive exams.
- To conduct mock interviews and train students in personality development and communication skills.
- Arranging guest lectures on various topics by eminent personalities, to impart knowledge about various pressing issues of today and current affairs useful for examination preparation.
- Providing comprehensive and quality study material and guidance for students who cannot afford coaching classes.

## TRAINING AND PLACEMENT CELL:

The placements of the students have always been the top priority of our esteemed institute. With a mission of great success, Dr. Ajit Harde, head of Training and Placement Department efficiently plays an important role in nurturing marketing skills in the students. Training and Placement Department of PJLCE is making all fruitful efforts round the year. T&P department plays an important role in providing opportunities to the students by arranging Campus Interviews. It is also in touch with various companies for imparting training which helps students to get real life learning experience. We proudly mention that this year more than 150 students got places in renowned companies.

## NSS ACTIVITIES

National Service Scheme, under the Ministry of Youth Affairs & Sports Govt. of India, popularly known as NSS was launched in the Honourable Mahatma Gandhi's Birth Centenary Year 1969 . It aims at arousing social consciousness of the youth with an overall objective of personality development through community service. NSS also enables students to participate in various program's of social service and national development, and to help the community. Our college has NSS unit for developing sense of team spirit and training the students for volunteerism and social services like tree plantation drives, environment awareness programme, holding of public awareness camps, blood donation camps and disaster management.

**Benefits of Being a NSS Volunteer:** Being an active member these student volunteers would have the exposure and experience to be the following:

- An accomplished social leader
- An efficient administrator
- A person who understands human nature

Our institute organized various activities like Shramadan, Tree Plantation, Blood donation Camp and cleanliness campaign, health checkup camp, Nirbhaya Beti Suraksha abhiyan, Awareness about organ donation program, Vyasana Mukti Abhiyan, Police Raising Day. Our student volunteers the events with great vigour & zeal and show their concern and interest towards these social causes.
